

VOLUNTEERS NEEDED –
FIRST® LEGO® LEAGUE State Championships

January 19 or 20, 2019 – Elgin Community College – Elgin, IL.

Volunteer opportunities are available for the Einstein and Hopper **FIRST® LEGO® League** Illinois Championship Tournaments. 650 Illinois students ages 9 to 14 will compete on 100 teams.

FIRST® LEGO® League is a friendly, high-tech event that challenges young participants to learn together as teams. The theme this season is *Into Orbit*SM. Teams have programmed and built autonomous robots, using the LEGO® Mindstorms system, to perform a number of challenges. Teams have also completed a research project and have identified a human or social problem faced during long duration space exploration within our Sun’s solar system and proposed a solution.

The event is open to the public and free of charge.

Various Volunteer roles are available
