- **Attendees should present the GroupRaise Meal Page, (printed or on your mobile device) to the cashier upon ordering, this will give you your discount, but most importantly raise money for Mission 22!**

● **About Me**

- My name is Felicia Campbell, I am 23 years old. I am currently serving in the Illinois National Guard, as Military Police. I also work at Fermilab as an Emergency Dispatcher. I live a very active life, I enjoy the fitness lifestyle, going to the range and spending time with my siblings as well as my battle buddies. My goal is to educate the public on veteran issues.

● **What is Mission 22?**

- Mission 22 is a non-profit organization that combats the rising suicidal rate of our veterans. Every day, more than twenty veterans are lost to suicide. Mission 22 wants to bring that number to zero. It does this with three main programs; veteran treatment programs, memorials and national awareness.
- Mission 22 should play a huge part in your life as it does in mine, due to the fact that many Veterans have served our country and protected us and we are not doing enough to protect them!
